Alex Meyer

United States

Lead Microsoft Cloud Developer | Azure, Azure AD, Dynamics 365 | Middle-ware and back-end professional

Biography

My name is Alex Meyer and currently I work as the Director of Customer Solutions at Fastpath Inc. in Des Moines, Iowa.

Fastpath's focus is on providing security, auditing, and compliance to ERP (Enterprise Resource Planning) software to provide solutions for:

User access reporting
Segregation of duty analysis
Audit trail change tracking
User identity management
Security design
Periodic user access review certifications

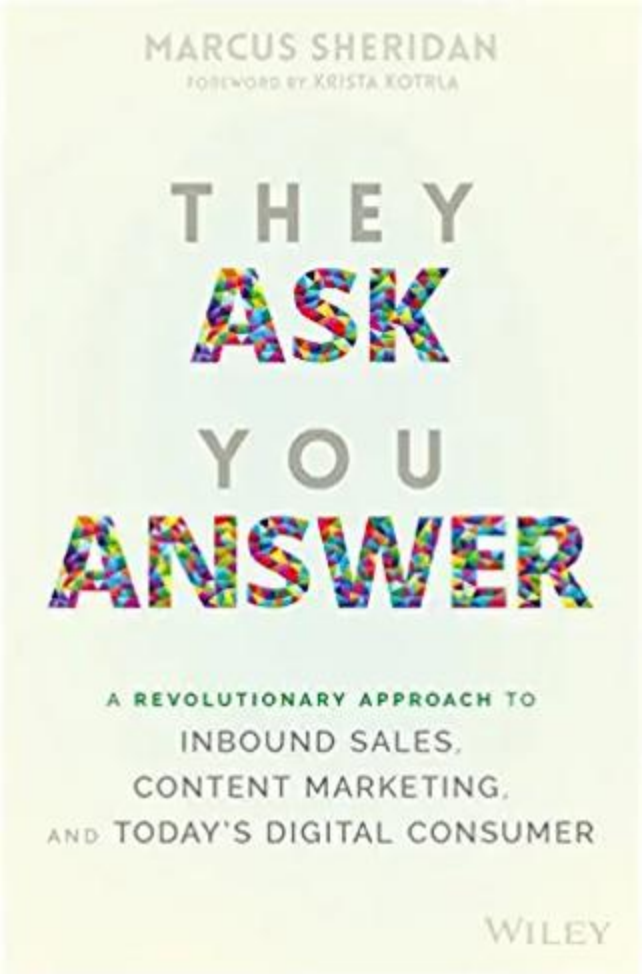
Why We Do What We Do?

COMMUNITY SUMMIT
For Users, By Users

- Give Back to Community
- Share Knowledge
- Most MVPs would still do what we do even if there was no award



@ 2022 Dynamic Communities

Decrease Complexities,
Deliver Results.

Q & A Session

- MVP Program
- Biz App Questions
- Anything Else??
